1 BLOOD DONATION CAMP

The Blood Donation Camp is a social cause event. This is to commemorate the Birth Anniversary of “Dr. S. B. Mujumdar”, Chancellor, Symbiosis International (Deemed) University. Venue: SUHRC, Lavale Hill Base, on the date 31st July, 2019 from timing: 9:00 A.M. to 6:00 P.M. The count in number of students who participated was 109 and from SIDTM Students were 36 & Others: 73.

The detailed Event Report: The Blood Donation Drive was organized by S.C.H.C at S.U.H.R.C Lavale Hill Base in association with S.P.A.R.S.H on July 31, 2019. S.P.A.R.S.H, the I.S.R committee of S.I.T.M was actively involved in the event, taking a step ahead towards the betterment of the society. The arrangements for the blood bank, doctors, nurses, beds and sanitation were taken care by Sassoon Hospital, Pune. The team created awareness for the blood donation by organizing Flash Mob on 30th July, 2019 one day before the event where the students performed enthusiastically and invited everyone for the blood donation highlighting the facts, myths and importance of the blood donation. Also, the team created handmade posters for encouraging everyone to donate blood. The team volunteered the event actively serving the gifts and refreshments to the donors. The certificate was also provided to the donors by the blood bank of Sassoon Hospital. The event ended successfully recording huge participation and encouragement from everyone.

Key Learning: We as a team learnt how to organize and manage events by incorporating the values such as team building and cooperation. We also realized the responsibility towards the betterment of the society.

Impact of this Initiative: This year SCHC provided S.P.A.R.S.H. with a bottle count equivalent to the total number of Eligible Donors, instead of the amount of Blood received in litres. Since, there were a total of 109 donors- a total of 109 bottles of Blood were received.

Wed, Jul 31, 2019, 8:59 AM

to Faculty, All, Giri, Sujata, SAHIL

Respected Sir/Mam,

Greetings from Team S.P.A.R.S.H.!

Team S.P.A.R.S.H, the ISR arm of SITM is organising a Blood Donation Drive in collaboration with Symbiosis Centre for Health Care (SCHC) on 31st July 2019.

Venue: SUHRC, Lavale Hill Base

Time : 9.00AM - 5.00PM

It gives us immense pleasure, to cordially invite you, for your support to donate the RED GOLD, Blood!

Blood is the life-maintaining fluid that circulates through the body's heart, arteries, veins and capillaries. Every year our nation requires about 4 Crore units of blood, out of which only a meagre 40 Lakh units of blood are available. The gift of blood is the gift of life. There is no substitute for human blood. Blood cannot be manufactured – it can only come from generous donors.

We are looking forward to your valuable presence to make this initiative a success. SPARSH team needs your kind guidance on the day!

Regards,

S.P.A.R.S.H. Celebrating Life!!

2 WORLD ENVIRONMENT DAY

We celebrate the world environment date on 5th June 2019. Issues about Air pollution on the occasions of the Environment Day Celebration on 5th June 2019 at SITM.

AIR POLLUTION

The World Environment Day was celebrated at SITM. The celebration was by students with extempore speech and discussion on the issues and solutions about Air Pollution.

There were about 12 Groups who took up the cause of Air Pollution and had fruitful discussions. As the young generation, they can lend a hand in thought and action as global citizens towards the environment and healthy living. Various topics of discussion and debate took place, to come up with feasible solutions under the present conditions and scenarios. The following topics were presented by

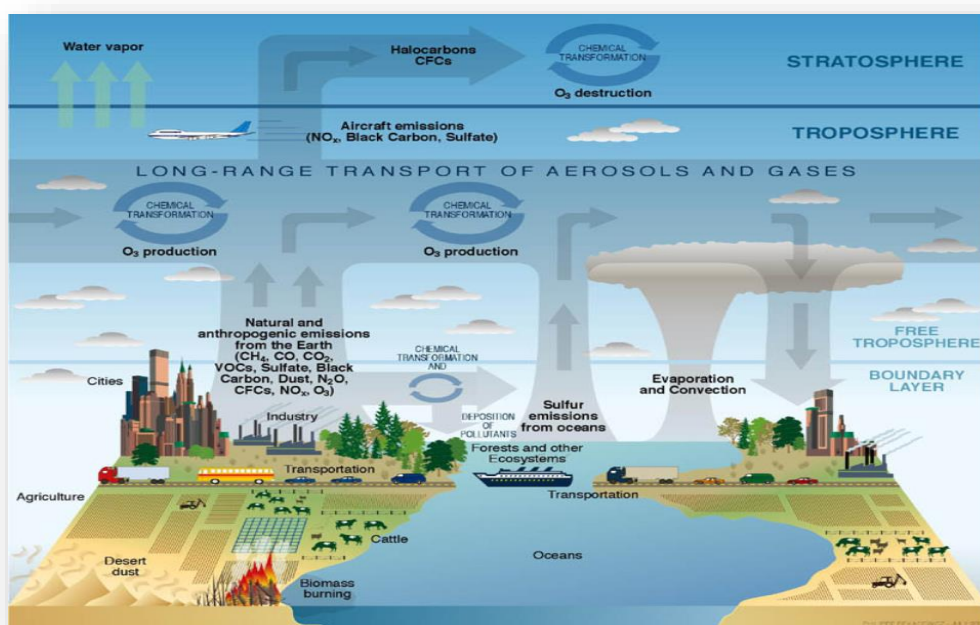

Figure 1: Tropospheric Pollution

groups of 8 to 10 students, followed by discussion. The following topics were discussed.

Idea on “Raise Awareness” on Air Pollution

Run for “Tree Plantation Drive”

Must “Conserve Energy”

1. Strategic Planning is Necessary to address the “Environmental Impacts Of Economic Development”
2. Reduce Use of “Personal Vehicles”
3. “Clean Options” to Avoid Air Pollution
4. Ensuring “Low Waste Production”
5. Avert “Indoor Air Pollution”
6. We Can Do “Without the Diseases” Caused by Air Pollution

7. “Grave Sources” of Air Pollution

As an outcome, they proposed the manner in which they can address the problem and offered a solution for the same. This would at least be the beginning of “*the end of Air Pollution*”!

3 “AASHECHA KIRAN” FLOOD DONATION DRIVE’19

We believe in embracing the joy of giving, by contributing for a living. Thus, in order to help the flood victims of Kolhapur and Sangli, S.P.A.R.S.H., the I.S.R. wing of SITM came with an initiative “Aashecha Kiran - A Flood Donation Drive” in association with Yadravkar Social Foundation to help the needy ones of the flood affected area. Boxes were kept in front of Admin Block and Old/New Girls and Boys Hostel.

Date of Contribution: August 18th 2019 to August

21st 2019. Date of Donation: August 24th 2019

No. of students who participated: Complete Batch of the year 2018-20 and 2019-21

Detailed Event Report: This year, the heavy floods hit the districts of Kolhapur and Sangli, and over two lakh people were devoid of food and shelter due to this natural calamity. There are certain villages like Hasur and Shirti of the Kolhapur and Sangli district which are still struggling to make their end meet. S.P.A.R.S.H., being the I.S.R. wing of S.I.T.M. organized “Flood Donation Drive – Aashecha Kiran” in association with Yadravkar Social Foundation on August 24th 2019 to contribute for these villages in the most efficient way.

The team made donation boxes for the students and the staff , as a result, the total monetary contribution received was Rs 18,054/-. The team went to the collection point “Sharad Sahakari Sakhar Karkhana Limited” located in Narande, Kolhapur Maharashtra to donate the kits. The foundation assured that the

kits will serve the needs of the families. Everyone appreciated the efforts taken by the team, even in such a short span of time. The team felt great indeed that the little efforts they put for the betterment of the people's condition in those villages were fruitful.

Key Learning: Natural Calamity is something which cannot be controlled from our end, but we can definitely help each other to revive from the loss. From this event "Flood Donation Drive- Aashecha Kiran" we have learnt how to organize an event in a short span of time and how to extend our help to the affected people in the most efficient way.

Impact of this Initiative: All students and staff of SITM donated either in money or in kind. All the monetary transactions were handled through UPI id.

to BATCH, BATCH, Abhijeet, Giri, Faculty, Sujata, All, IT/Lab

Dear All,

Warm greetings from Team S.P.A.R.S.H. !!

"When you give with joy, your reward is the giving"

We express our heartfelt gratitude to everyone for helping us carry out the "Flood Donation Drive – Aashecha Kiran" successfully.

S.P.A.R.S.H. extends thanks to all the individuals who have come forward to make contributions to help the victims of Kolhapur and Sangli. The donations were made to the two villages Hasur and Shirti, in association with Yadravkar Social Foundation on 24th August 2019. We are very grateful to each and every student, faculty and staff who had turned up and lent their helping hands to the flood affected victims.

Though words could not suffice the extent of impact of this kind gesture, we express our deepest gratitude to every single contributor who came forward to save and support the lives of many. We truly appreciate and are proud of all of them for helping Team S.P.A.R.S.H. for this noble cause.

We would like to express our earnest gratitude to the following people without whom we wouldn't have been able to conduct this event successfully:

We would like to start by thanking our Director, Prof. Abhijeet Chirputkar for providing us with all the necessary approvals and for being constant support to us at each stage.

We would like to convey our sincere thanks to our esteemed faculty and Deputy Director Dr. Giri Hallur Sir for his valuable support.

A special thanks to the backbone of S.P.A.R.S.H., mentor, Dr. Sujata Joshi for guiding and motivating us throughout the process.

Col.(Retd) Atholi Sir, campus admin officer for all the timely approvals and support.

Our sincere thanks to the Accounts Dept, Dipti Ma'am for timely travel requisition approvals.

A special thanks to Madhura Ma'am, coordinator for travel approvals and arrangement of commodities.

We would also like to thank Junior team Ad-hocs, Sayali, Alankriti and Bishakha for taking initiatives and working with enthusiasm to make sure that event was a great success.

Word of gratitude to the Faculty and Staff of SITM for being so supportive and helping us in focusing on the organization of the event.

Our sincere apologies and thanks to all others whom we might have missed to mention but contributed in making the event successful.

S.P.A.R.S.H. has been well appreciated for all the work we have been doing and hope that you will continue to support us in all our activities.

Regards,

4 WATER CONSERVATION AWARENESS DRIVE- 2019 : RESPONSIBILITY OF CITIZEN

We believe in conserving life by conserving water. In support of the 'Water Conservation Campaign – Jal Shakti Abhiyan' launched by Hon'ble Prime Minister, S.P.A.R.S.H., the I.S.R. wing of SITM conducted a small drive to create water conservation awareness among youth in and around Lavale campus.

No. of students who participated: Complete Batch of the year 2018-20 and 2019-21 at Academic Entrance Block, SITM on Date: 5th September 2019 from Timing: 11:00am -11:20am

Detailed Event Report: MHRD, Govt of India, has launched an initiative of 'Swachhta Pakhwada, 2019' by Universities and Higher Education Institutes during 1st Sept to 15th Sept 2019. This year, Hon'ble Prime Minister has launched 'Water Conservation Campaign – Jal Shakti Abhiyan'. As a part of 'Fun and Food Carnival 2019', S.P.A.R.S.H., the I.S.R. wing of SITM conducted water conservation awareness and sensitization drive. A skit was being performed by team depicting the daily chores where water is being wasted and how it can be conserved and used wisely. The team made posters highlighting the importance of water conservation and displayed them in the Acads Block. A team member performed a song describing the impact of the water scarcity on the farmers. Students and the Teaching/ Non-Teaching staff came forward to attend the sensitization drive.

Key Learning: Water is a quintessential part of our existence and conserving it in the best possible ways is our responsibility. From this event "Water Conservation Awareness Drive" we have learnt various ways for creating awareness and sensitization among the youth and the different measures that we can take to save water in an efficient way.

Impact of this Initiative: From the "Water Conservation Awareness Drive", the students realized how we waste water unintentionally during our daily chores. The team was able to sensitize the students and staff about the impact of scarcity of water. Students learnt to protect natural sources of water. Also through the posters, various measures to save the water were highlighted.

Dear All,

Warm Greetings from Team S.P.A.R.S.H. !!

We express our heartfelt gratitude to everyone for helping us carry out both the events “Water Conservation’19” and the annual fundraising event “Fun N Food Carnival’19” successfully.

S.P.A.R.S.H. extends thanks to all individuals who have come forward to participate in every possible way and make these events a huge success. We truly appreciate the efforts of everyone.

We would like to express our thanks to the following people without whom we wouldn’t have been able to conduct these events successfully:

We would like to start by thanking our Director, Prof. Abhijeet Chirputkar for providing us with all the necessary approvals and for being a constant support to us at each stage.

We would like to convey our sincere thanks to our esteemed faculty and Deputy Director Dr Giri Hallur Sir for his valuable support. A special thanks to the backbone of S.P.A.R.S.H., mentor, Dr Sujata Joshi for guiding and motivating us throughout the process. Col. (Retd) Atholi Sir, campus admin officer for all the timely approvals and support.

We would also like to thank the Admin Officer, Mrs. Kavita Sahasrabudhe for providing us with all the necessary approvals timely. Our sincere thanks to the Accounts Dept, Dipti Ma’am for timely travel requisition approvals.

A special thanks to Agnes Ma’am and Madhura Ma’am, coordinator for travel approvals and arrangement of commodities. Shrinivas Sir, Renuka Ma’am and Aartee Ma’am for scheduling evaluations and lectures to accommodate the event successfully.

Word of gratitude to the Faculty and Staff of SITM for being so supportive and helping us in focusing on the organization of the event.

A special mention to the Lab Team-Rahul Sir and Pankaj Sir for helping us throughout the event with speakers, posters, etc.

Volunteers

A special thanks to Vinit Singh who had enthusiastically participated in the Water Conservation skit, Shubham Kamble for his ravishing rap performance and Manan Tiwari for entertaining the whole crowd with his melodious voice. Also, we are extremely grateful to Akash D Kanojia for reading out the confessions so interestingly and Deepak K Soni for organising a paper dance.

We would like to thank all the participants who put in a lot of effort and without whom this event would not have been possible:

FUN: Aarush Kapila, Sanchi Dhingra, Sai Kumaran, Sakshi Pandey, Sneha Sagar, Arunima Pahari, Himanshu Singh, Saud Mukri, Alankar Mishra, Vinit Singh, Sloni, Shraddha Deshbhratar, Manjaly Glory Johny, Aarushi Prasad, Varsha Menon, Febin peter Franklin, Trishla Jayaraj Nambiar, Ben Daniel Jacob.

FOOD: Abhijit Majhi, Shreya Rawat, Sweety Chatterjee, Swapnil dalal, Yash purohit, Harsh Srivastava, Sourajit Roy, Parvathy M Madhavan, Rutuja Nandanwar, Saket Badge, Nitesh Naik, Nishant Uttkarsh, Armin Bodhanwala, Anjali Thacker, Saurabh Vartak, Raghav Mishra, Parth Mehta, Barshekee Chanda, Shubham Agarwal, Bipasha Rajkhowa, Tanvi Hazarika, Pritish Bhoi, Balasubramanian VV, Arpita Bhattacharyya, Ayushi Rastogi, Jayanto Choudhary, Abhishek Kataria, Abhiraj Saha, Charu Soni, Maha Singh Matta, Anirban Chatterjee, Vivek Kumar, Abhishek Patil, Swakush inarkar, Piyali Sahu, Santosh Kanigicherla, Divya chinta, Akansha budhraj, Abhishek kumar, Aamod joshi, Prashant kanwat, Ritika gupta, Ankit Mondal, Manas Thapliyal, Agrid Gupta, Shreya Singh, Himanshu Ranjan Tiwari, Rashika Agrawal.

We would like to thank all the teams for their generous donation of the sum of Rs 12309/- towards the charity.

We would like to thank the whole Web N Tech team for covering the event and providing us with technical assistance and other valuable assets of the college as and when required during the event. A special thanks to Prashant Kanwat, Ben Daniel Jacob and Aniket Tamhane who motivated their junior team for making Fun & Food Carnival 2019, a successful event.

We would also like to thank the Brandcom Team for promoting and effectively campaigning Fun & Food Carnival 2019 on all social media platforms. A special thanks to Nishesh Kumar for guiding the whole team efficiently.

Our sincere apologies and thanks to all others whom we might have missed to mention but contributed to making the event successful.

S.P.A.R.S.H. has been well appreciated for all the work we have been doing and hope that you will continue to support us in all our activities.

Regards,

5 FUN AND FOOD CARNIVAL 2017 CHARITY FUNDING FOR UNDERPRIVILEGED PEOPLE

Event Objective: Serving the underprivileged section by raising funds through an entrepreneurial initiative taken by SITM students.

Latitude:- 18; 32; 14.26666259765625
Longitude:- 73; 43; 54.4390869140625

The Food stalls-
Near Symbi Eat with
Fun/Game Stalls-
Near Mess area on
the September 5th,
2019 from 11:20
a.m. to 5:45 p.m. and
FUN- 7:00 p.m. to 11
p.m. The number of
students who
participated: 90

Detailed Event

Report: Food stalls were set up in the morning by seniors and juniors alike and Fun/Game stalls were set up in the evening by the students. Each team consisted of 2-3 senior students of SITM along with 4 students from the Junior Batch. Each team had a team lead to properly lead and synergize their respective teams. The proceeds were collected in the end to be handed over to the deprived section of the society.

Key Learning: We learnt how to collectively organise an event and learnt how to deal with run time problems that occurred during the event. Participants were enthusiastic in showcasing their culinary skills along with entrepreneurial skills. Value of donation for charity was the impetus of the event.

Impact of this Initiative: A total of INR 12,309 was collected as profit from the entire event. A total of Rs 14,310(Including 12,309 and Rs 2001 donations from faculty) was donated to an NGO “Sparsh Balgram”, Alandi, Pune.

6 CLEAN UP DRIVE- 2019

•We believe that if we don't protect our Mother Nature, Mother Nature will not protect us. In support of the 'Swachhata Hi Sewa Campaign' launched by MHRD Government of India, a clean-up drive was conducted to create awareness amongst the youth for making our campus cleaner and more hygienic at Venue near hostel Annex, Lavale Hilltop Campus on 16th September 2019 from 3:30pm – 5:00pm. With the number of students who participated were 17.

Detailed Event Report: 'Swachhata Hi Sewa Campaign' is launched by MHRD, Government of India from 11th September 2019 to 2nd October 2019 with an aim to eliminate the use of plastic and to dispose the plastic waste. In order to achieve this objective, S.P.A.R.S.H., the I.S.R. wing of SITM conducted a clean-up drive in the campus. A small secluded area in the campus with some plastic waste and garbage was chosen to be cleaned. The Director, along with teaching and non-teaching staff accompanied the students to the area and helped in collecting the waste in garbage-bags. The participants were provided with hand-gloves, masks, brooms and garbage bags for the process. After the clean-up, waste was collected and brought into a central location in the campus.

Key Learning: Being green and clean is not just an aspiration, but an action. In our efforts towards making our campus cleaner and more hygienic we learnt that with cleanliness in our surroundings we can keep ourselves germ free and hygienic, which will make us healthy and strong.

Impact of this Initiative: From the ‘Swachhata Hi Sewa Campaign’, the students realized how much garbage is generated in our day to day life. The team was able to sensitize the students and staff about the impact of plastic waste and garbage on people’s health as well as the environment. Students learnt the importance of cleanliness in the surroundings so as to be free from diseases.

8 ENTREPRENEURSHIP AWARENESS. CAMP : RESPONSIBILITY OF CITIZEN

This event is a platform for the students from backward section of the society to uplift their self-awareness regarding entrepreneurship and financial aids available. The camp is also an effort to promote the Govt. of India's initiative of developing a culture of innovation and entrepreneurship

Venue: BHASKARACHARYA HALL. Symbiosis Institute of Digital and Telecom Management, Hill Top campus, Lavale.

Date: 16th-18th January 2020 at

Timing: 9:30 am onwards

No. of students who participated: 56 students

Detailed Event Report: Keynote sessions from eminent personalities associated with banks, MSMEs, start-ups and MNCs enlightened the students from various colleges about their journeys and motivated them by sharing valuable insights in the entrepreneurial arena. In addition, a business model competition and an industrial visit was also organized to provide a practical blend to the young minds wanting to fulfil their dreams.

Key Learnings: The three-day journey exploring the opinions and interpretations by the honourable dignitaries helped the students to develop a new perspective towards Entrepreneurship. They focused on what the Entrepreneurial future would be like and the financial aids available to pursue a successful career in this arena.

Impacts with proofs attached: 56 students attended the second edition of the EAC camp organized by the SIDTM out of which 27 students were SIDTM students and 29 were external students.

11 ANTI-RAGGING AWARENESS

Anti-ragging is strictly followed at SITM, SIU and its measure are enforced by the university.

Conduction on first day during Induction.

We have sensitization programs during Induction and later to sensitise. There is a group allocated to a Sr. Student to take care of about 8 to 12 students as his mentee together with the faculty assigned.

Awareness is during Induction, later in the year with the mentors. The escalation matrix is explained and the helpline numbers displayed.

The SIU circulars and Norms are the Students affairs website. Amongst the statutory committee this is one of the committees called the Anti-Ragging Committee. At the local level also, there is institution-based committee.

Meaning

Ragging is any disorderly conduct whether by words spoken or written or by an act which has the effect of teasing, treating or handling with rudeness to any student, indulging in rowdy or undisciplined activities which cause or likely to cause annoyance, hardship or psychological harm or to raise fear or apprehension thereof in a fresher or a junior student and which has the effect of causing or generating a sense of shame or embarrassment so as to adversely effect the psyche of a fresher or a junior student.”

<http://amanmovement.org/reports.php>

<https://www.ugc.ac.in/stats.aspx>

VIDEOS

Links to watch are shared with the students on intranet portal and explained in the first meeting.

[https://amanmovement](https://amanmovement.org/registration/public/amanmovement/raggingmain.html#affidavit) **UGC regulations**

[.org/registration/public/amanmovement/raggingmain.html#affidavit](https://amanmovement.org/registration/public/amanmovement/raggingmain.html#affidavit)

Alternate Means of Interaction, Strict Law Enforcement and Sensitization & Awareness

UGC regulations: Recourse Available to Victims.

On the SIU Portal the following help is also available. (Committee list attached

12 ANTI-DISCRIMINATION

Anti-Discrimination is part of Induction on the first day of Induction. The students are sensitised to this concept of Discrimination.

Symbiosis University have Symbiosis Motto: "Vasudhaiva Kutumbakkam" means "World is one Family", which is aligned to the anti-discrimination laws. It is international university with the motto home away home for students.

LAWS

Anti-discrimination laws vary by jurisdiction about the types of discrimination that are prohibited, and the groups that are protected by that legislation.

Anti-discrimination law or non-discrimination law SIU refers to legislation designed to prevent discrimination against groups of students.

Anti-discrimination laws vary by jurisdiction about the types of discrimination that are prohibited, and the groups that are protected by that legislation.

Symbiosis university have anti-discrimination cell with stringent rules and regulations for anti-discrimination. We give orientation during Induction week

By PRACTICE

We practice Antidiscrimination by including everyone in activities and there is a spirit of team and sensitise it during Induction program
