

Final Placement Report 2017

Overview

SITM was established in 1996 as a pioneer in the field of telecom management. Keeping in line with industry changes driven by industry convergence, SITM, today focuses on ICT, Analytics and upcoming technologies. We offer three specializations :

1. Marketing and finance
2. System and finance

SITM through experiential learning offers a fine blend of technology and management education to its students. Being 'techno-managers', they are well versed with technology and are well-trained in managerial and leadership aspects. Since its inception , SITM has received positive feedback from industry thus endorsing our unique techno managerial perspective on ICT. This has ensured that SITM shares an excellent rapport with the ICT industry and has resulted in SITM being a preferred destination in their for highly competent human resources. We would like to express our gratitude to our regular recruiters who continue to foster a strong relationship with SITM and appreciate the new recruiters who placed their trust in the students by offering them a gamut of new and various roles across a number of verticals.

Overview

Reinforcing the motto, 'Building Techno-Managers', SITM commenced the season of Final Placements for the (Batch 2015-17) in November 2016 and some of the domains and sectors in which the students have been placed include:

- Telecom Service Providers
- IT/ITES
- Consultancy
- Banking, Financial services and Insurance
- E-Commerce
- Market Research and many more.

Our efforts have been brought to light by the well-placed 2300+ alumni who have made their mark in the corporate world, distinguishing themselves at senior management levels in the industry. We express our sincere gratitude for their sustained belief in their alma-mater.

Industry's confidence in SITM and its students is prominently evident as the Institute witnesses a wider range of organizations visiting the campus during flagship events, summers, and final placement process.

Message from the Leadership

Prof. Abhijit Chirputkar
Director, SITM

Symbiosis Institute of Telecom Management (SITM) is the pioneer institute started in 1996 for imparting managerial education in the field of Telecommunications and subsequently added ICT and Analytics considering the requirements in the industry. SITM is the leading institute in the entire SAARC region offering management education in this niche domain. At SITM, we have committed ourselves to develop world class techno-managers, who can effectively handle dynamic and ever-changing technological scenario with absolute ease and authority, individuals who can manage complicated business scenarios with confidence at all levels of the corporate ladder. We at SITM integrate a competitive learning environment through a broad curriculum encompassing classroom teaching, lab sessions and practical, simulations, industry relevant trainings and certifications in latest technologies and trends, valuable industry inputs, research projects, seminars, workshops and a myriad of extracurricular activities. In the pursuit of excellence and to give the curriculum its distinctive flavor, the syllabus is continually revived based on valuable inputs from the corporate sector.

Message from the Leadership

- SITM lays deep emphasis on an all-round development of the student, which includes improving communication skills, nurturing teamwork and inculcating fighting spirit. We ensure that each student from SITM is trained to be an effective individual contributor and the most contributing team player.
- We simulate a competitive and dynamic environment for the students to build endurance and competence, necessary to excel and succeed in the corporate environment and to come out with flying colors. The primary focus lies on understanding the ICT industry and the changing dynamics of business, empowering the individual to develop and acquire managerial and technological skills to succeed. SITM students have stood the rigorous test of time in the corporate environment and have differentiated themselves because of their business and technological acumen.
- Last but not the least, we strive to instill human values to make students better citizens with moral courage and zeal to follow their heart, make a difference and help them achieve their goal.

Message from the Leadership

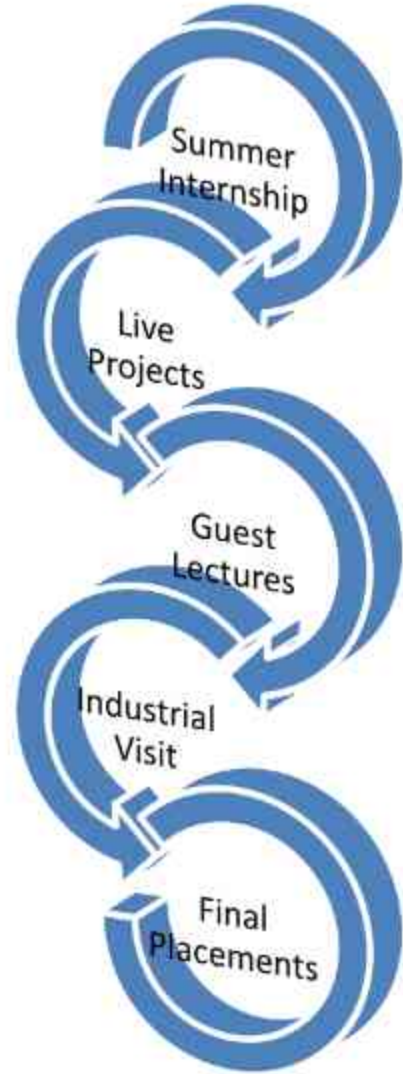

Bhakti Vyawahare
Corporate Interface Officer

SITM has achieved almost 100% placement since its inception i.e. 1996. This year also we have achieved almost 100% placement. We have completed one more successful placement season as an outcome of close Academia – Industry Interaction. With continuous innovation in our academic curricula final and summer placements was a great success.

SITM offers a fine blend of technology and management education to its students that aims at bringing an engaged experimental learning. The multi-dimensional syllabus of SITM incorporates Telecom Systems, Telecom Operations, Internet, IT, Media and Entertainment Management, Brand Management, International Marketing, Integrated Marketing Communication, Solutions and Key Account Management and a lot more to mention. Value added programs accompanied by financial knowledge endorse technical and managerial aspects of the 'techno-managers' created at SITM.

We take pride when we send our students in dynamic and challenging business world as we know that they will deliver what they promise. We assure that these students will strive to make their employers, SITM and Alma Mater of SITM proud and raise the beacons higher!
