Summer Placement Dossier | 2019 - 2021

Dear Sir/Madam,

Warm wishes from Symbiosis Institute of Telecom Management!!

At the onset, let me express my appreciation for making Placement season - 2018 an incredible success. With almost 40 companies across diverse verticals visiting the campus, it arouses in us a sense of great delectation to see industry's confidence incessant in SITM.

SITM offers a fine blend of technology and management education to its students that aims at bringing an engaged experimental learning. The multi-dimensional syllabus of SITM incorporates Networking Concepts & Components, Internet-Of-Things, Telecom Network Management, Mobile Operating Systems & Applications, Integrated Marketing Communication, Consumer Behaviour & Insights, Strategic Management, Business to Business Marketing, R Programming, Data Mining, Visual Analytics and a lot more to mention. Value added programs accompanied by financial knowledge endorse technical and managerial aspects of the 'techno-managers' created at SITM.

SITM has always been on the forefront when it comes to realising an upcoming trend in the Industry. Considering the recent drift in analytics and data science in the ICT business domain, SITM has extended its branches and introduced 'Analytics & Finance' as the third specialisation and addition to the already existing 'Marketing & Finance' and 'Systems & Finance'. These specializations offer a consolidated curriculum involving theoretical and practical subjects to the students.

The curriculum embraces classroom training, enriched with research projects, summer projects, seminars, workshops, case studies and syndicate learning. In our quest for excellence, the syllabus is persistently reviewed and updated in consultation with the faculty, corporate & the alumni.

SITM has explored the potential of its students and also helped them achieve placements globally. We have achieved a good number of International Placements for our students this year and SITM continues to create such far-reaching opportunities.

We take pride when we send our students in dynamic and challenging business world as we know that they will deliver what they promise. We assure that these students will strive to make their employers, SITM and Alma Mater of SITM proud and raise the beacons higher!

We delightfully welcome you for the Campus Recruitment Program of 2019 which we know; you too are whole heartedly waiting for and hence we take immense pride when we state "Think Techno-Managers, Think SITM".

Thanks and Regards,
Ms. Bhakti Vyawahare
 Officer-Corporate Interface

SYMBIOSIS INSTITUTE OF TELECOM MANAGEMENT

CONSTITUENT OF SYMBIOSIS INTERNATIONAL (DEEMED UNIVERSITY)

(Established under section 3 of the UGC Act, 1956)

Re-accredited by NAAC with 'A' Grade (3.58/4) | Award Category - I by UGC

About SITM

Established in 1996, SITM is the first Business school in South Asia striving to develop World Class Telecom Business Leaders who can handle the ever-changing Technology and Business Scenario effectively at all levels of the corporate ladder.

Beyond Academics

"Communiqué"

Symbiosis Institute of Telecom Management has been organizing the Communiqué, since its inception in 1996. The idea behind this seminar is to bring stalwarts of the industry on a neutral platform in order to reach a consensus on some of the contemporary issues confronting the industry. It also unveils the practical aspects, prevailing trends and the expected route of the industry by providing a common forum for the students and the industry experts to interact.

The theme for Communiqué18 was **Establishing New Synergies: Together Towards Tomorrow**

"Prevision"

Prevision is an endeavor by the students of SITM to analyze trends across various verticals touching every part of the telecom value chain to keep abreast with opportunities and threats that lie on the road ahead. It was initiated in the year 2003 with the purpose of providing the industry a neutral and insightful single point of view regarding the emerging trends in the telecom sector for the forthcoming year.

"TEDxSIU"

In the spirit of ideas worth spreading, TEDx is a program of local, self-organized events that bring people together to share a TED-like experience. At a TEDxSIU event, TED Talks video and live speakers combine to spark deep discussion and connection in a small group. TEDxSIU with the theme, **"Crayons: The Creative Quotient"** the power of ideas. Here in TEDxSIU we aim to eye for new ideas, stimulating Imagination, and encouraging Innovation, getting Inspiration, and thereby enhancing Entrepreneurial ability and understanding the management of one.

Profile of Batch 2019-21

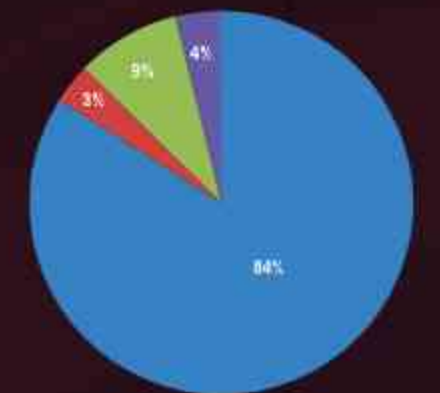

Name	Degree Specialization	Work Ex (Months)	Organization
Aakanksha Buthraja	B.Tech(Computer Science)	21	Yrals Digital Pvt Ltd
