**Batch 2020-2022\_Career Counselling\_ Pre-Placement Module**

| Sr. No. | Details of Documents                      | Page No |
|---------|---|---------|
| 1       | Pre Placement Report - Mock 1 (Phase 1)   | 2       |
| 2       | Pre Placement Report - Mock 2 ( Phase 2 ) | 3       |

## Report

### Pre-Placement Module 1 (Batch 2020 -22)

Pre-Placement Module (PPM) is conducted with the intention to prepare the students to face the interviews during their final recruitment. We invite alumni from various domains and they conduct GD PI process. This process helps the students to prepare themselves for the further placement process.

The details of the panelists for PPM 1 are as follows –

| Batch 2020-2022 : PPM 1 |                             |                     |
|-------------------------|-----------------------------|---------------------|
| Panel                   | Company                     | Name                |
| 1                       | SG Analytics                | Suhail Pathade      |
| 2                       | Larsen & Toubro Infotech    | Parth Vohra         |
| 3                       | Frost & Sullivan            | Dennis Marcell      |
| 4                       | Indiamart InterMesh Limited | Anurag Khode        |
| 5                       | HDFC                        | Rucha Upadhye       |
| 6                       | Airtel Africa               | Mayuri Savla        |
| 7                       | Rakuten                     | Chandradeep Mallick |
| 8                       | Accenture                   | Kiran Raikar        |
| 9                       | Telstra                     | Shreya Adhikari     |
| 10                      | Wells Fargo                 | Veronica Singh      |
| 11                      | Infosys Consulting          | Chirag Patni        |
| 12                      | Deloitte                    | Ula Javed           |
| 13                      | Deloitte                    | Utkarsh Nalgundwar  |
| 14                      | EY                          | Harmanpreet Pal     |
| 15                      | Reliance Jio                | Nikhil C            |
| 16                      | EY                          | Nishith Kumar       |

PPM-1 was a successful event with respect to the insights provided to the candidates during their interviews with respect to their Summer Internships, Work-Experience, Research Projects and Curriculum knowledge. Valuable feedback was shared with faculty and the students on the ideal course of action to improve on each of the aspects of the student's profile.

The overall outcome of PPM-1 enhanced the academia-industry knowledge bridge and helped students understand industry expectations once they join their respective organizations post their MBA from SIDTM.

## Report

### Pre-Placement Module 2 (Batch 2020 -22)

Pre-Placement Module (PPM) is conducted with the intention to prepare the students to face the interviews during their final recruitment. We invite alumni from various domains and they conduct GD PI process. This process helps the students to prepare themselves for the further placement process.

The details of the panelists for PPM 2 are as follows –

| Batch 2020-2022 : PPM 2 |                    |                 |
|-------------------------|--------------------|-----------------|
| Panel                   | Company            | Name            |
| 1                       | Alepo Technologies | Aarush Kapila   |
| 2                       | Mobileum           | Verda Nizam     |
| 3                       | Wipro              | Nishant Shekhar |
| 4                       | Tecnotree          | Ashish Nangare  |

PPM-2 was a successful event with respect to the insights provided to the candidates during their interviews with respect to their Summer Internships, Work-Experience, Research Projects and Curriculum knowledge. Valuable feedback was shared with faculty and the students on the ideal course of action to improve on each of the aspects of the student's profile.

The overall outcome of PPM-2 enhanced the academia-industry knowledge bridge and helped students understand industry expectations once they join their respective organizations post their MBA from SIDTM.
