CRAYONS

THE CREATIVE QUOTIENT

TED is a non-profit, started 25 years ago in California, devoted to spreading ideas, usually in the form of short, powerful (18 min or less) talks. It encourages sharing of ideas by eminent thinkers across various disciplines, from science to business to global issues all are covered. Independently run **TEDx** events help share ideas in communities around the world.

Symbiosis International University bought that platform in the reach of the students in the form of **TEDxSIULavale** with an aim of sharing multi topical ideas of vision, spark, change and deliver "**Ideas worth Spreading**".

Our journey began with

- **TEDxSITM** in 2012 with the theme, '*An Eye for I*'
- **2014**, with a metamorphic theme, '*Together Towards Transition - T3*'.
- **TEDxSIULavale** in 2015, sought the power of dreaming with the theme, '*Excelsior... Dreams to Reality*'
- **2016**, with the fantastic theme '*Ideations Unlimited- Dare to Share*'
- **2017**, we came up with yet another engaging theme '*Stand. Speak. Show*'
- **2018** with the trendy theme- '*#ideacracy- a world of Democracy of Ideas – Ideas for the people, by the people and of the people.*'

In **2019**, we decide to bring our most creative foot forward with the theme - "**Crayons- the Creative Quotient**". The theme was about showcasing the diversity and reflecting the varied colours of life which can be unobvious, off track, unheard of and yet those which can add a different dimension to a mundane thought process. The aim will be to delve into new thoughts, relevant notions that can encourage and trigger young minds to think unique and gather an out of the box perspective.

In resonance with the colourful theme, **TEDxSIULavale** 2019 presented the most varied and engaging line-up of 8 differentiated speakers from numerous domains.

SPEAKERS OF THE EVENT

1. Padma Shri Dr. Syed Kirmani

Legendary Indian Wicket Keeper

The event began with the talk of the iconic Wicketkeeper Padma Shri Dr. Syed Kirmani. He belongs to a generation when wicket-keeping was an art and a niche pursuit. He was awarded the Padma Shri in 1982 and the best wicket keeper in the 1983 Cricket World Cup. He talked about his experience in **1983 World Cup: Corridors of victory** and asked the students to keep up a positive attitude, even in the face of adversity for the wonders it can do.
