About the Event:

TEDxSIULavale 2020, an independently organized TED event aimed at sharing multi topical ideas of vision, spark, change and deliver " Ideas worth spreading". Having a credible legacy of celebrating unique themes and extraordinary ideas over the past seven years, SIDTM proudly leaped into the 8th year with yet another ground-breaking theme - "**Dispel Stereotypes**".

The core essence of which was to drive a shift in mind -set adding a dash of disruption to stereotypical thinking hence aiming at empowering the young community to dismiss fixed notions, move out of their comfort zones and evolve. The event saw eight theme- based engaging talks by eminent speakers from diverse domains.

GREETINGS FROM TEAM TEDxSIULavale 2020!!

With the legacy of seven successful **TEDx** events, **Symbiosis Institute of Digital and Telecom Management** is proud to present to you the 8th Leap of diving deep into the aroma of spices, with music and a lot more creativity, **TEDxSIULavale 2020**.

In the spirit of ideas worth spreading, TEDx, where x = independently organized TED event, is a program of local, self-organized events that bring people together to share a **TED**-like experience. At a **TEDx** event, **TED** Talks video and live speakers combine to spark deep discussion and connection in a small group.

SIDTM shares the same passion as **TED** does, that is, to become an evangelist of Ideas that can drive our future. **TEDxSIULavale**, an independently organized **TED** Event brings people together to share a **TED**-like experience. The main aim of organizing such an event is to foster the love of learning and motivate the audience to transgress into unexplored fields.

We cordially invite you to **TEDxSIULavale 2020**.

Track, Idea and Relevance:

Cycle to Recycle life

From the most favourite childhood pastime to the best companion, cycling has certainly emerged as one of the most loved adventure sport and healthy option in this socially secluded and virtually included world.

The idea is to demonstrate the enduring physical and mental effects of cycling before the warning bell on health sounds off.

We would be open to discuss your ideas on the theme for making it engaging and insightful for the audience.
