

SYMBIOSIS INSTITUTE OF DIGITAL AND TELECOM MANAGEMENT

Final Placements Report (Batch 2022-24)

OVERVIEW

SIDTM (Formerly SITM) was established in 1996 as a pioneer in the field of Telecom and Digital Technology Management. Keeping in line with industry changes driven by industry convergence, SIDTM, today focuses on ICT, Digital Technology Management and Analytics. We offer three specializations :

1. Marketing and Finance
2. System and Finance
3. Analytics and Finance

SIDTM through experiential learning offers a fine blend of technology and management education to its students. Being 'techno-managers', they are well versed with technology and are well-trained in managerial and leadership aspects. Since its inception, SIDTM has received positive feedback from industry thus endorsing our unique techno managerial perspective on ICT. This has ensured that SIDTM shares an excellent rapport with the digital industry and has resulted in SIDTM being a preferred destination in them for highly competent human resources.

We would like to express our gratitude to our regular recruiters who continue to foster a strong relationship with SIDTM and appreciate the new recruiters who placed their trust in the students by offering them a gamut of various roles.

OVERVIEW

Reinforcing the motto, 'Building Techno-Managers', SIDTM commenced the season of Final Placements for the (Batch 2022-24) in September 2022 and some of the domains and sectors in which the students have been placed include:

- Telecom
- ISP/CSP
- IT/ITES
- Consultancy
- Analytics
- Banking, Financial services and Insurance
- Ed-Tech
- FMCG
- Healthcare
- Marketing
- Market Research and many more...

Our efforts have been brought to light by the well-placed 3000+ alumni who have made their mark in the corporate world, distinguishing themselves at senior management levels in the industry. We express our sincere gratitude for their sustained belief in their alma-mater.

Industry's confidence in SIDTM and its students, is prominently evident as the Institute witnesses a wider range of organizations visiting the campus during flagship events, summers, and final placement process.

MESSAGE FROM THE LEADERSHIP

Dr. CA. Abhijit Chirputkar
Director, SIDTM

Symbiosis Institute of Digital and Telecom Management (SIDTM) is the pioneer institute started in 1996 for imparting managerial education in the field of Telecommunications and subsequently added ICT and Analytics considering the requirements in the industry. SIDTM is the leading institute in the entire SAARC region offering management education in this niche domain. At SIDTM, we have committed ourselves to develop world class techno-managers, who can effectively handle dynamic and ever-changing technological scenario with absolute ease and authority, individuals who can manage complicated business scenarios with confidence at all levels of the corporate ladder. We at SIDTM integrate a competitive learning environment through a broad curriculum encompassing classroom teaching, lab sessions and practical, simulations, industry relevant trainings and certifications in latest technologies and trends, valuable industry inputs, research projects, seminars, workshops and a myriad of extracurricular activities. In the pursuit of excellence and to give the curriculum its distinctive flavor, the syllabus is continually revived based on valuable inputs from the corporate sector.

SIDTM lays deep emphasis on an all-round development of the student, which includes improving communication skills, nurturing teamwork and inculcating fighting spirit. We ensure that each student from SIDTM is trained to be an effective individual contributor and the most contributing team player.

We simulate a competitive and dynamic environment for the students to build endurance and competence, necessary to excel and succeed in the corporate environment and to come out with flying colors. The primary focus lies on understanding the ICT industry and the changing dynamics of business, empowering the individual to develop and acquire managerial and technological skills to succeed. SIDTM students have stood the rigorous test of time in the corporate environment and have differentiated themselves because of their business and technological acumen.

Last but not the least, we strive to instill human values to make students better citizens with moral courage and zeal to follow their heart, make a difference and help them achieve their goal.

MESSAGE FROM THE PLACEMENT OFFICER

SIDTM has achieved remarkable placements record since its inception i.e. 1996. Taking the legacy forward, this year too, SIDTM witnessed an exceptional start to our placements season as an outcome of close Academia – Industry Interaction. With continuous innovation in our academic curricula, every year we witness great success in our summer and final placements.

The placements for lateral and freshers has broken the previous record yet again in terms of highest domestic package, where we could add more companies and profiles as compared to previous years. The advantage that SIDTM has is digital technology leadership, which has helped us immensely in attracting various industries including BFSI, FMCG and Healthcare along with the traditional domains consisting of IT/ITES, Telecom, Consulting etc.

We are happy to announce that we have successfully achieved 100% placements in January 2024, and present to you our final placements report for batch 2022-2024.
