6 TEACHERS DAY

We celebrate the teacher s Day on 5th September, every year. This is the birth anniversary of Sarvepalli Ramakrishna (5 September 1888 – 17 April 1975)

was an Indian philosopher and statesman who served as the first Vice President of India (1952–1962) and the second President of India (1962–1967) One of India’s most distinguished twentieth-century scholars of comparative religion and philosophy, after completing his education at Madras Christian College in 1911.. His philosophy was grounded in Advaita Vedanta, reinterpreting this tradition for a contemporary understanding. He defended Hinduism against ""uninformed Western criticism"", contributing to the formation of contemporary Hindu identity. He has been influential in shaping the understanding of Hinduism, in both India and the west, and earned a reputation as a bridge-builder. These great teachings and making world aware are the very steps which we cherish. informally many students wish all the teachers on this day and seek good wishes and blessings.

Sarvepalli Radhakrishnan (1888–1975)

- Hinduism is not just a faith. It is the union of reason and intuition that can not be defined but is only to be experienced. Evil and error are not ultimate. There is no Hell, for that means there is a place where God is not, and there are sins which exceed his love.

Mohandas Karamchand Gandhi -2 October 1869 – 30 January 1948, was an Indian lawyer, anti-colonial nationalist, and political ethicist, who employed nonviolent resistance to lead the successful campaign for India's independence from British Rule, and in turn inspire movements for civil rights and freedom across the world. The honorific Mahatma (Sanskrit: "great-souled", "venerable"), first applied to him in 1914 in South Africa, is now used throughout the world. He influenced India during the freedom struggle with events marked with Principles, practices and beliefs, On wars and nonviolence, On inter-religious relations, On life, society and other application of his ideas, Legacy and depictions in popular culture, Followers and international influence, Global days that celebrate Gandhi.
