CSR venture of SITM  
**SPARSH**  
Celebrating Life

**Venue:** Convention Hall

**Date:** 31/07/2017

**Timing:** 09 A.M TO 04 P.M

**Event objective:** Encouraging people to donate their blood on a voluntary basis.

**No. of students participated (approx.):** 340 willing to donate, 302 successful donors

**Event report:**

On 31st July 2017 the drive was organized in collaboration with SCHC. The Blood Donation Drive was organized by SCHC and was carried out with a lot of enthusiastic individuals who came forward to donate blood. Like every year, S.P.A.R.S.H. actively took part in volunteering and promoting this event at SIU Lavale, Hill top campus. Over 200 people including students, faculty, security guards and other staff turned up and showed their willingness to donate blood.

For creating awareness about blood donation drive and motivating people to donate, various promotional activities are performed, such as flash mob and street on the preceding day which usually gets a great response. S.P.A.R.S.H has been well appreciated for all the work we have been doing through the support and admiration of all.

On account of Birthday of Symbiosis Founder and Chancellor Dr. S. B. Mujumdar Symbiosis Centre of Health Science had conducted a blood donation camp in the campus in association with Pune Serological blood bank on 01st August, 2016.

This camp was coordinated, operated and volunteered by SITM. Response was huge and many students from all Symbiosis University Lavale Campus voluntarily came up to donate blood. Faculties from various institutes also made came and encouraged donors. S.P.A.R.S.H also got appreciation from SCHC for promoting (Flash Mob)and smoothly coordinating the event.

Pictures:

### Key Learnings:

- Intending donors get opportunity to donate according to their convenience.
- It requires 350 ml of blood to save someone's life.
- Some people had been donating on a regular basis; while others who were first timers, got rid of their apprehensions.
- To combat the demand-supply mismatch, the community needs to donate blood throughout the year. We urge all eligible donors to donate blood every three months regularly.
- The blood is usually drawn from the median cubical vein, from the inside of the elbow. The amount of blood along with the anti-coagulants present in the collection bag is referred to as one unit of blood.
- It was on volunteering basis but many people took the initiative and came to donate blood.

## **Event Name: Fun and Food**

**Venue:** - Food Carnival – 10:30 am to 4.00 pm, Near Symbi Eat, SITM Acads block

**Fun Carnival:** - 5.30 pm to 10.00 am, Near Mess Area

**Date:** - 11th Sep 2017

**Timing:** - For Food Carnival: -12:00 pm to 4:00pm, For Fun Carnival: - 5:00 pm to 10:00 pm

### **Event Objective: -**

Contributing for the Noble Cause and to Celebrate Togetherness.

### **Number of Students Participated: -**

100 students of S.I.T.M. in organizing the event and all student of S.I.U. Lavale participated in the event.

### **Event Brief: -**

The event was organized for noble cause i.e. charity. Juniors and seniors worked together as a team and cooked some of the most delicious food. It was an absolute delight to see students participating in such a large number where everyone gave their best. All the eight stalls represented their own culture through their food. What make this event more special are the amalgamations of students from different S.I.U. Lavale colleges. Not only the students but faculties also visited some of the stalls and appreciated all hard work put by the students. Second part was fun Carnival. It was organized during the evening. Students organized different fun games to attract participants. All the seven fun stalls were exciting and all these games got fantastic response from everyone.

### **Details of the Event:**

#### **Food Stalls:**

**Targaryen Tadka-** Biryani, Kebabs, Mock tails.

**Stark's Kitchen-** Parathas, Chinese, shakes.

- Budgeting
- Time Management
- Resource Management

Event Name: Homecoming of NGO –“PRAYAS”

**Venue:** SITM Acads Block, Near Gargi

**Date:** 22<sup>nd</sup> Jan 2018

**Timing:** 09 A.M TO 05 P.M

**Event objective:**

To promote interaction between SITM students and NGO

**No. of students participated (approx.):**

20 students from NGO and 70 from SITM including volunteers and team members

**Event report:**

S.P.A.R.S.H holding on the motto Vasudhev Kutumbkam, believes that we owe a social responsibility, a constitutional opportunity and a moral obligation to help others. Keeping this motive in mind we arranged this event. We were fortunate to have children with special needs from Maher Ashram, Kothrud at our campus to celebrate joy of giving and interact with our college students and Faculties. The faculty had a gala time with the children and showered blessings for their future endeavors. The agenda of this event was to welcome children so that we can be a part of their world for one day and so that even they get to make some beautiful memories by participating in fun games, drawing and painting competitions and interacting with us. Our aim for the event is to spread smiles across the face of children.

**What all we have had for them in the event:**

- Transport facility for pickup and drop.
- Tour to our beautiful lush green campus.
- Lunch to be served for the children
- Intellectual fun activity along with various prizes.
- Gifts and goodies to be given in the form of- books, stationary, etc.
- T-shirts to be provided from S.P.A.R.S.H.
- And some beautiful moments to cherish.

**Key Learning:**

- Planning
- Budgeting
- Time Management
- Resource Management

## **Event Name School Teaching**

**Venue:** - Zilla Parishad school, Susgaon, Taluka: - Mulshi, Pune.

**Date:** - Started from 2<sup>nd</sup> Feb 2018

### **Event Objective: -**

To promote education, teach basic skills, organize workshop for spreading good living habits, moral values, culture, and methods of developing self-confidence etc.

### **Event Report: -**

SITM students understand that they not only need to be academically and industrially proficient but they need to be serviceable to the society they live in. Hence came this wonderful and much needed idea of school teaching. The interaction is not only restricted to the blackboard way of teaching but it is also a very well-organized structure of mentorship where one person is allocated to every 10 students, to personally cater to their academic needs and address the problems for the subject concerned. We aim to motivate and inspire the students to explore and cultivate their talents for their all-round development.

**Pictures:**

### **Key Learnings**

- Teaching skills
- Time Management
- Planning
- Creating awareness about the importance of education.

## **Event Name Feed the Need**

**Venue:** - SITM hostel Campus

**Date:** - 13<sup>th</sup> March 2018

### **Event Objective: -**

A way of extending our hands towards children who don't have the means to buy good clothes, shoes, etc. We do so by collecting the above mentioned items from all the students of Symbiosis and donate the same to the one in need.

### **Event Report:**

Every year a batch of students pass out of the university, leaving behind lots of unused goods such as books, clothes, shoes, stationery, etc. Feed the need initiative of S.P.A.R.S.H. encourages the students to donate all such products which they wouldn't be using for themselves but could be of great use for someone who is lesser privileged. Students from all colleges are encouraged to contribute such things which are collected and donated to charity organizations which provide for people in need of these basic commodities. This brings in the "sense of society" among the students, who can feel content that they are valued by someone, somewhere.

### **Key Learnings: -**

- Publicity of an event
- Mobilizing the resources for collection of useful items.

### **Picture**

**Total Budget:**

Total Budget  
Allocated.xlsx

## **Overall Learnings from S.P.A.R.S.H**

- Social Responsibility
- Ethical Behavior
- Accounting & Budgeting
- Planning a project / Event / Activity
- Art of Collaboration
- Sales / Marketing & Promotion
- Time Management
- Negotiation Skills
- Taking Responsibilities
- Working in a team and coming out with the best solution to a challenge/ issue
- How to tackle run time issues

## **Suggestions for 2017-19 Batch**

- Try to get long term collaboration with corporates
- Think of innovative ideas and try to implement them
- Keep good rapport with social cells from other colleges; look for possible collaboration with them
- No one should be allowed to back out at the last moment and planning should be made ahead of time.
