Message from the Placement Officer

SIDTM has achieved remarkable placements record since its inception i.e. 1996. Taking the legacy forward, this year too, SIDTM witnessed an exceptional start to our placements season as an outcome of close Academia – Industry Interaction. With continuous innovation in our academic curricula, every year we witness great success in our summer and final placements.

The placements for lateral and freshers has broken the previous record yet again in terms of highest domestic package, where we could add more companies and profiles as compared to previous years. The advantage that SIDTM has is digital technology leadership, which has helped us immensely in attracting various industries including BFSI, FMCG and Healthcare.
