### Report

#### Pre-Placement Module 1 (Batch 2022 -24)

Pre-Placement Module (PPM) is conducted with the intention to prepare the students to face the interviews during their final recruitment. We invite alumni from various domains and they conduct GD PI process. This process helps the students to prepare themselves for the further placement process.

This year we conducted PPM1 in two phases. The first phase was conducted on 15<sup>th</sup> July 2023 in a completely offline mode. The agenda of the first phase was to interview candidates on the basis of their summer internship experience, domain knowledge & resume.

The second phase was conducted on 22<sup>nd</sup> July 2023 in a hybrid mode. The agenda of the second phase was to test the candidates on their approach towards guesstimates and case studies.

PPM-1 was a successful event with respect to the corporate insights provided to the candidates during their interviews. Valuable feedback was shared with faculty and the students on the ideal course of action towards the preparation for the finals.

In a brief nutshell, output of PPM-1 enhanced the academia-industry knowledge bridge and helped students understand industry expectations once they join their respective organizations post their MBA from SIDTM.
