

Workshop No. - 24

Topic : Consulting - A leadership oriented career

Details of the Resource Person:

- **Name:** Mr. Nirmal Vijayan
- **Organization:** EY
- **Purpose :**

Key Highlights of the Session

Entrepreneurial Mindset: Many consultants develop an entrepreneurial mindset, learning to identify opportunities and drive innovation, skills valuable for leadership in any context.

Global Perspective: Consulting frequently involves working across borders, fostering a global perspective that is increasingly important for leadership roles in today's interconnected world.

Ethical Leadership: The session underscored the importance of ethical leadership in consulting, as consultants are often entrusted with sensitive information and must maintain high ethical standards.

Continuous Learning: Leaders in consulting must embrace a culture of continuous learning and development to stay at the forefront of their field and adapt to evolving client needs.

Leadership Development: The session emphasized that consulting offers a unique path for leadership development, as consultants often lead and manage projects, teams, and client relationships.
