

# SYMBIOSIS INSTITUTE OF DIGITAL AND TELECOM MANAGEMENT

## Final Placements Report (Batch 2023-25)

# OVERVIEW

SIDTM (Formerly SITM) was established in 1996 as a pioneer in the field of Telecom and Digital Technology Management. Keeping in line with industry changes driven by industry convergence, SIDTM, today focuses on ICT, Digital Technology Management and Analytics. We offer three specializations :

1. Marketing and Finance
2. System and Finance
3. Analytics and Finance

SIDTM through experiential learning offers a fine blend of technology and management education to its students. Being 'techno-managers', they are well versed with technology and are well-trained in managerial and leadership aspects. Since its inception, SIDTM has received positive feedback from industry thus endorsing our unique techno managerial perspective on ICT. This has ensured that SIDTM shares an excellent rapport with the digital industry and has resulted in SIDTM being a preferred destination in them for highly competent human resources.

We would like to express our gratitude to our regular recruiters who continue to foster a strong relationship with SIDTM and appreciate the new recruiters who placed their trust in the students by offering them a gamut of various roles.

# OVERVIEW

Reinforcing the motto, 'Building Techno-Managers', SIDTM commenced the season of Final Placements for the (Batch 2023-25) in September 2024 and some of the domains and sectors in which the students have been placed include:

- Telecom
- ISP/CSP
- IT/ITES
- Consultancy
- Analytics
- Banking, Financial services and Insurance
- Ed-Tech
- FMCG
- Healthcare

- Market Research and many more...

Our efforts have been brought to light by the well-placed 3300+ alumni who have made their mark in the corporate world, distinguishing themselves at senior management levels in the industry. We express our sincere gratitude for their sustained belief in their alma-mater.

Industry's confidence in SIDTM and its students, is prominently evident as the Institute witnesses a wider range of organizations visiting the campus during flagship events, summers, and final placement process.

# MESSAGE FROM THE LEADERSHIP

***Dr. CA. Abhijit Chirputkar***  
***Director, SIDTM***

Symbiosis Institute of Digital and Telecom Management (SIDTM) is the pioneer institute started in 1996 for imparting managerial education in the field of Telecommunications and subsequently added ICT and Analytics considering the requirements in the industry. SIDTM is the leading institute in the entire SAARC region offering management education in this niche domain. At SIDTM, we have committed ourselves to develop world class techno-managers, who can effectively handle dynamic and ever-changing technological scenario with absolute ease and authority, individuals who can manage complicated business scenarios with confidence at all levels of the corporate ladder. We at SIDTM integrate a competitive learning environment through a broad curriculum encompassing classroom teaching, lab sessions and practical, simulations, industry relevant trainings and certifications in latest technologies and trends, valuable industry inputs, research projects, seminars, workshops and a myriad of extracurricular activities. In the pursuit of excellence and to give the curriculum its distinctive flavor, the syllabus is continually revived based on valuable inputs from the corporate sector.

SIDTM lays deep emphasis on an all-round development of the student, which includes improving communication skills, nurturing teamwork and inculcating fighting spirit. We ensure that each student from SIDTM is trained to be an effective individual contributor and the most contributing team player.

We simulate a competitive and dynamic environment for the students to build endurance and competence, necessary to excel and succeed in the corporate environment and to come out with flying colors. The primary focus lies on understanding the ICT industry and the changing dynamics of business, empowering the individual to develop and acquire managerial and technological skills to succeed. SIDTM students have stood the rigorous test of time in the corporate environment and have differentiated themselves because of their business and technological acumen.

Last but not the least, we strive to instill human values to make students better citizens with moral courage and zeal to follow their heart, make a difference and help them achieve their goal.

# MESSAGE FROM THE PLACEMENT OFFICER

SIDTM has consistently maintained a remarkable placement record since its inception in 1996. Continuing this legacy, this year too, SIDTM witnessed an exceptional start to the placement season, driven by close Academia-Industry collaboration. With ongoing innovations in our academic curriculum, we continue to achieve significant success in both summer and final placements every year.

This year, placements for both lateral and fresher candidates have once again broken previous records, achieving the highest domestic package to date. We also onboarded more companies and profiles compared to previous years. SIDTM's unique advantage in digital technology leadership has significantly contributed to attracting industries such as BFSI, FMCG, and Healthcare, along with traditional sectors like IT/ITES, Telecom, and Consulting.

We are proud to announce the successful completion of 100% placements for all the eligible students of the batch of 2023-2025 in November 2024, and we present our final placements report with pride.
